

## **Informal Comments on TWIA Premium Surcharges as Mandated by Texas Insurance Code §2210.613**

Informal Comments Requested by October 28, 2013

The Texas Department of Insurance is continuing its implementation of House Bill 3 from the First Called Regular Session of the 82nd Legislature. HB 3 limited the lines of insurance to which premium surcharges may apply, allowed the premium surcharges to be refundable, and set an effective date for the premium surcharges.

This informal draft is identical to provisions posted for informal comment on TDI's website in March 2012, and does not directly affect rates. In addition, it is important to note that the surcharges being discussed are specifically mandated by statute, and are not a result of actions by TWIA or TDI.

TDI invites your input on the informal draft of TWIA premium surcharge provisions as mandated by Texas Insurance Code §2210.613. The comments received will assist TDI in continuing its implementation of HB 3. This is an informal posting and not a publication for rulemaking.
